*Star Plaza Theater Production
of "Grease"
Benefits St. Jude House*

St. Jude House's new fundraising event proved to be a great night for all who attended! The first annual benefit production at Star Plaza Theater on August 19th featured the hit musical *Grease* and was enjoyed by all ages. Guests came dressed the part and had the chance to view vintage cars before the show began.

Over 1,200 guests attended the show and all proceeds from the evening's ticket sales benefited St. Jude House. As a result, over \$27,000 was raised to help support programs and services provided at the shelter. The show also helped spread awareness about the seriousness of domestic violence within our communities.

We would like to thank Star Plaza Theater for doing a great job with *Grease!* A special thank you to Charlie Blum and Sharon Bennett who were instrumental in planning this event and contributing to its success.

Next year's production is already being planned and we hope to see you there for another evening of theater and fun!

*Remembering & Honoring Those We
Lost and Those Surviving~
Annual Candle Light Vigil*

October is National Domestic Violence Awareness month and a time to recognize how far we've come and how far we need to go. During this time we will remember those who have been lost and those who keep surviving. The designated color for domestic violence is purple and by wearing a purple ribbon you can symbolize your support in the fight against domestic violence.

To show our support and dedication in this fight, St. Jude House will once again sponsor the Annual Candle Light Vigil on Monday, October 16th. The vigil will begin at 6:30 p.m. at the Lake County Fairgrounds and proceed to the Old Lake County Courthouse on the Crown Point Square.

The vigil service will begin at 7:00 and will feature speakers from the local community who support our efforts against domestic violence.

Getting Ready for the Holidays!

It's hard to believe the Holidays are almost upon us but its true! This is the time of year that our donors shine by helping provide Thanksgiving baskets and Christmas gifts for those most in need. Calls are already coming asking what items are needed to help make this another wonderful season of giving to others.

We appreciate all the support and are trying to find ways to make the process easier for groups and individuals interested in having Holiday donation drives. General lists of needed items will be available starting November 1st and family lists will be available closer to December. If you would like to get a copy of either list, please call Joy Heminger at 662-7066 ext. 17.

Again, we thank all of you early for all the thoughtful and wonderful things you do for those we serve!

How you can help make a difference...

...have your church or organization hold a donation drive for items on our wish list.

...donate used cell phones and ink cartridges to St. Jude House for our recycling program and victims of domestic violence.

...make a donation in a friend or loved one's name to honor them for a birthday or anniversary.

...volunteer your time to help at the shelter and make a difference in someone's life.

...tell others about St. Jude House and the important work we do for those in need.
