

St. Jude House Circle of Support

Together we are helping families transform

For the period July 1, 2009 – September 30, 2009
Updated Quarterly in October, January, April & July

Thank you to all of our monetary donors for giving selflessly to help others. They support our work to provide a safe haven and assistance for those in need of family violence and sexual assault response services. Through their generosity, St. Jude House is able to remain a leader in shelter and case management, crisis intervention and domestic violence prevention efforts in Northwest Indiana.

Note: this list represents private support

Our heartfelt thanks, always!
